

Access to Employer-Sponsored Health Insurance Coverage

01636175PA

In order to determine your continued eligibility for MassHealth for you and members of your household, we need more information from you AND your employer about your access to employer-sponsored health insurance coverage.

You must cooperate in providing information necessary to maintain eligibility, including obtaining or maintaining available health insurance, or your MassHealth benefits may be terminated.

Do not enroll in any health plan through your employer until we have reviewed the plan to see if it meets Premium Assistance program standards. We will send you a letter to tell you if you have to enroll in a plan if we decide a plan offered through your employer meets program requirements. **If you do not return this form by the deadline, your coverage may be ended for failure to cooperate per MassHealth regulations at 130 CMR 501.010.**
